Southern Berkshire Public Health Collaborative will continue to offer Pop-up Drive Through Rapid COVID-19 testing Clinics in Lee and Sheffield

LEE/SHEFFIELD— To help residents make safe decisions about gathering for the holidays and returning to work or school after possible exposures, the Southern Berkshire Public Health Collaborative will offer pop-up, drive-thru rapid COVID testing clinics in Lee and Sheffield. The dates/times are:

January 11, 2022, in Lee 2:00-4:00pm at the Airolti Building, 45 Railroad Street
January 13, 2022, in Sheffield 8:00-10:00am at the Bushnell-Sage Library, 48 Main Street
January 18, 2022, in Lee 2:00-4:00pm at the Airolti Building, 45 Railroad Street
January 20, 2022, in Sheffield 8:00-10:00am at the Bushnell-Sage Library, 48 Main Street
January 25, 2022, in Lee 2:00-4:00pm at the Airolti Building, 45 Railroad Street
January 27, 2022, in Sheffield 8:00-10:00am at the Bushnell-Sage Library, 48 Main Street

Advance registration is required. Testing is free. Both children and adults are eligible, whether symptomatic or not. Antigen test results will be shared the same day. Questions may be emailed to Amy Hardt, Public Health Nurse, amy@tritownhealth.org. To sign up for an appointment, visit <https://tinyurl.com/BerkshireRapidTest>
